Old style full plate. New style.

Look at these two plates and use your own reasoning. The roofless has suction on both sides (2), soft rubber text to save gums. Designed to be put in immediately after extraction. It does not touch the hard bone in the roof of the mouth, therefore, it settles with the gums and makes its own bed. No full roof plate can compare with the fit of this plate, as it settles into its bed, lighter, more tongue room, clearer speech.

Dr. Williams has been making this plate for ten years, and is thoroughly familiar with its construction. Made only by us in El Paso.

OTHER FRANKLIN TYPES

TOURING CAR—Franklin performance embodied in a Full Size, Five-Passenger Open Car. It is the most economical car of its type.

RUNABOUT—All the advantages of Franklin Light Weight Flexible Construction in a Two-Passenger Open Car.

FOUR-PASSENGER ROADSTER—A convenient, attractive car. Compact, yet having room for four.

BROODHAM—A personal, enclosed Franklin Car, intimate when used by two, commodious when carrying four.

The
FRANKLIN SEDAN

THE performance of the Franklin Sedan has greatly changed the motoring public's ideas—especially those about what automobiles should do. Franklin dependability has naturally changed the order of motorists' inquiries when buying a car. The vital questions that establish a car's usefulness are to-day the first ones usually asked, as, for instance—

- "How far in a day can I drive this car without getting tired?"
- "What is its best average speed over all kinds of roads?"
- "What restrictions of season, weather or roads must be expected with it?"
- "What is its proportion of unsprung weight to weight above springs?"
- "Has it any real flexibility or is it hard riding?"
- "Will it yield to road shocks or must it have shock absorbers?"
- "Does heavy, rigid weight punish its tires?"
- "How many miles will it average to a gallon of gasoline in everyday use?"
- "Does it require constant routine care?"

The story of Franklin Light Weight, Flexible Construction and Direct Air Cooling (no water to boil or freeze) is being told on so many roads that all observant motorists know it. Briefly, it is comfortable, non-fatiguing riding over the greatest possible distances in a day on all roads. Consistency of speed, with safety and effortless control. Minimum tire trouble. No hot or cold weather worries. Daily usability all year, and:

20 miles to the gallon of gasoline
12,500 miles to the set of tires
50% slower yearly depreciation

Texas University
to Play Vanderbilt

Austin, Texas, March 15.—Arrangements have been completed for the playing of the football contest between the University of Texas and Vanderbilt University at the State fair in Dallas on October 22, 1933, according to an announcement made here Saturday by the university athletic council. According to the terms of the contract Vanderbilt will come to Dallas on a full guarantee and will replace the Oklahoma Sooners on the 1933 schedule. Oklahoma was forced to suspend her five-year contract with the University of Texas on account of a ruling of the Missouri valley conference, which forbids the Sooners meeting the Longhorns in Dallas.

Charles Herzog
Suffers Injury

Pasadena, Calif., March 15.—Charles Herzog, second baseman of the Chicago National league baseball team, was taken to a Los Angeles hospital today to be operated upon for a rupture and will be out of the game for at least a month, according to an announcement tonight by Fred Mitchell, manager of the team. Herzog, the manager said, strained himself sliding to base in practice several days ago. His place as second will be taken by Barney Eriborg, a recruit, the manager said.

Oakland Players
Win in Tourney

Berkeley, Calif., March 15.—Miss Loretta Butler, of this city, scored the only victory of the day over the visiting players of the Woodward-Hing tennis players of the Woodward club of Oakland and California club, of San Francisco, on the courts of the Sutter lawn tennis club here Sunday, when she defeated Miss Molly Berger, 4-2, 6-3, 6-3.

Buena Vista Team
Loses To Varsity

Berkeley, Calif., March 15.—The University of California tennis team won six of nine matches from the Buena Vista players in the intercollegiate championship series here Sunday. At Stanford university the contest between Stanford and the Oakland club in the same series went to Oakland three to two. Hain, defeated the remainder of the nine matches scheduled from being played.

COURT DENIES HABEAS WRIT
TO GIVE CHILD TO MOTHER

Judge Pauling today refused a writ of habeas corpus which would have given the custody of Edna Over two years old, to her mother, Mrs. Ruby Gero. The custody of the child had been given to her aunt, Mrs. Francisco Carreon, because of the mother's feeble mind. The mother at one time was in the clinic. The court said the mother was not fit to have the child. The property of the child was not to be given to a man the mother was engaged to.
